

Stainless Steel Seamless SS SMLS Pipe Tube 9 Inch 7 Inch 201 202 310S 304 316 Grade

Our Product Introduction

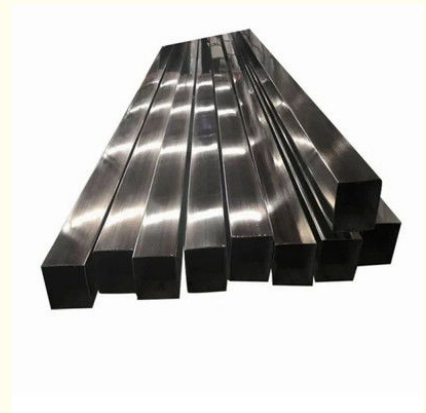

Basic Information

- Place of Origin: china
- Brand Name: jinshunlai
- Certification: ISO, AISI, ASTM, GB, EN, DIN
- Model Number: 0.1mm-900mm
- Minimum Order Quantity: 1kg
- Price: Contact Us
- Packaging Details: Waterproof Paper, Steel Strip Packed and other Standard Export Seaworthy Package, or customized package
- Delivery Time: 5days
- Payment Terms: L/C, T/T , Western Union
- Supply Ability: 90000ton

Product Specification

- Highlight: 202ss smls pipe, 201ss smls pipe, SMLS stainless steel seamless pipe

Product Description

PRODUCT DESCRIPTION

Decorative 201 202 310S 304 316 Grade 6 Inch Welded Polished Stainless Steel Pipe Suppliers

Corrosion resistance is better than 304 stainless steel pipe, in the pulp and paper production process has a good corrosion resistance. And 316 stainless steel is also resistant to Marine and aggressive industrial atmosphere erosion. Heat resistance in discontinuous use below 1600 degrees and continuous use below 1700 degrees, 316 stainless steel tubes have good oxidation resistance. There are different versions of the material with low carbon and high carbon content. The Tubes and UNS S316L00 Stainless Steel Strip Specification varies and the applications differ for the different versions of the material. The low carbon version, 316L Tubes are very good for welding applications as they have less carbide precipitation and less localized corrosion. The ASME SA240 Stainless Steel 316L Tube Thickness ranges up to 200mm and the width and the length ranges widely depending on the application requirements as well. Please contact us for more information and prices.

Product Description

| | | | |
|---------------------|--|--------------------|---|
| Standard: | JIS | Place of Origin: | Jiangsu, China |
| Brand Name: | TISCO | Model Number: | seamless |
| Type: | Seamless | Steel Grade: | 300 Series, 301L, 301, 316L, 316, 304, 304L |
| Application: | Construction, Decoration and Industry etc. | Welding Line Type: | Seamless welded |
| Outer Diameter: | 39.1mm | Tolerance: | ±1% |
| Processing Service: | Bending, Welding, Decoiling, Punching, Cutting, Moulding | Grade: | 201 304 316L 2205 |
| Section Shape: | Round | Alloy Or Not: | Non-Alloy |
| Surface Finish: | 2B | Invoicing: | by actual weight |
| Delivery Time: | within 7 days | Product name: | 75mm steel pipe precision stainless steel tubing steel tube 40x80 |
| Keyword: | staninless steel tube | Material Grade: | 201/202/302/304/304L/310/314/314L/316/316L/430/409/321 |
| Shape: | Round Section | Length: | 6m, 12m or customized |
| Technique: | Cold Drawing or casting | Finish: | No.1 No.3 No.4 HL 2B BA 4K 8K 1D 2D |
| Package: | Wooden Cases/Pallets or customized | Ends: | Smooth |
| MOQ: | 1 Ton | | |
